1. Payments can be made using Paypal.

For the security of my customers and friends I do not take credit cards. Please do not email credit card numbers to me. Those choosing to pay via paypal, should navigate to paypal.com and follow the directions to send \$ to the following address. merlotjw@comcast.net

2. Your order must be in writing.

Sorry, we can't take phone orders, because it's too easy for us to mix them up. You want it right the first time and so do we, so please put it in writing.

3. Payment must accompany the order.

Sorry, we cannot accept charge or C.O.D. orders. We will take your personal check, but it must clear the bank before we ship the merchandise.

4. The merchandise value of your order must be at least \$10.00.

Do NOT count tax or shipping in this total. We lose money on smaller orders.

5. Orders will ship within 2 - 4 weeks after payment confirmation. We are all volunteers and have many other priorities. Please plan ahead when placing orders to allow for the described lead time. Rush orders are nearly impossible to fill.

6. Emergency/Overnight Requests for Shipments.

Please plan ahead with your order, occasionally someone needs a uniform shipped Over-night. Be prepared, shipping for overnight orders can be 50.00 and more. Estimated payment will need to be made to paypal for such emergencies. Balance will be refunded when shipping costs have arrived.

7. All nametag orders should include a \$5.50 postage charge.

Name tag orders are custom made and are normally shipped separate from other items.

8. Business.

I am a volunteer that makes every effort to help Sea Scouting with Uniforms. I work a full time job along with helping youth locally. Please make every effort to help me with your order.

9. Email orders are great.

Occasionally your email order hits outer space, never to be seen again. If you have not received a confirmation email within 24 hours then I may have not received your original order. Please email or send a text with your name and information.
